## TEMPORARY NON-OCCUPATIONAL DISABILITY INSURANCE (SINOT, FOR ITS SPANISH ACRONYM)

The Temporary Non-Occupational Disability Insurance's (SINOT, for its Spanish acronym) campaign for 2018-2019 has already started, and Myriad Benefits wants to help you by identifying better options than those offered by the Puerto Rico Department of Labor and Human Resources.

Temporary non-occupational disability insurance coverage is one of the wide range of services offered by Myriad Benefits. Act 139 (SINOT) is a program that pays benefits to insured workers who have lost their income because of a disability caused by a disease or injury that is not related to their jobs or an automobile accident. We can find the options available in the market and thus improve:

- BENEFITS
- RATES
- SUPPORT FOR EMPLOYERS REGARDING THE ENROLLMENT PROCESS'S PROCEDURES AND SOME OF THE PAPERWORK RELATED TO THE CLAIMS PROCEDURE.
- SUPPORT FOR EMPLOYEES REGARDING THE PAPERWORK RELATED TO THEIR CLAIMS' PROCEDURE.

WE HAVE STARTED OUR SINOT CAMPAIGN WITH THE COMMITMENT THAT CHARACTERIZES US OF GUIDING AND OFFERING OUR CUSTOMERS THE BEST OPTION IN THE MARKET.
